The Alberta Liquor Control Board has chosen the site which they prefer for their liquor store in St. Albert. The A.L.C.B. was given by the St. Albert Council the choice of two alternative locations, one west of Perron's Store (downtown), and one at the west end of the Grandin Shoppers Park parking lot (across from the Curling Rink). The A.L.C.B. chose the Grandin Shoppers Park site because it is the centre of St. Albert's boundaries at the moment. This site has to be rezoned from "small Holdings" into "First Class, Commercial", for which the Council gave their approval at the last Council meeting on Monday, December 10.

The location of the liquor store has caused some misunderstandings between our downtown and Grandin Shopper Park businessmen, which we regret. Nevertheless, it is quite normal that the majority of the downtown businessmen are disappointed that this liquor store will not be built in their business area. A liquor store in St. Albert means something else than a liquor store in Edmonton. Most of the time, Dad goes to the liquor store in Edmonton, buys his liquor, then drives straight home or to a party. St. Albert is surrounded by many country families where, in many cases, Mom, Dad, and the children are shopping together at the weekend. In this case, Dad can pick up his "groceries" at the liquor store, while Mom and the kids are shopping or enjoying themselves in a restaurant, which will bring of course, extra business to those businessmen who have their business close to the liquor store. Therefore, we do not agree with the St. Albert businessman who told us that a liquor store will not bring extra business. We have seen many times, whole families from St. Albert or district, at Westmount Shoppers Park, on weekends. While Dad went to the liquor store, the rest of the family was spread all over the shopping centre. Therefore, feelings of disappointment by the downtown businessmen is very normal and will be certainly understood by most of the Grandin Shoppers Park businessmen. But the most important thing,

continued on page 2

*Editorial continued from page 1 Liquor Store*

is that this case shouldn't bring hard feelings between the two groups of business organizations. Both groups have tried and hoped to get the liquor store in their business area. One of them was unfortunate, but cannot blame this on the other group. It was the Liquor Control Board who chose the site. We realize they had already chosen this site two months ago without informing our Council, but after the A.L.C.B. was reminded by our M.A., Mr. Keith Everett, and by a deputation of our downtown businessmen, that a Council of a town at least should be informed regarding their building plans. The A.L.C.B. thereafter followed the good democratic way, and was given by the town, a choice between two sites. This decision is, of course, good news for the businessmen of Grandin Shoppers Park, but it should also encourage the downtown businessmen to improve their shopping area, so that St. Albert, which is planned for a population of 35,000 people, will have in the near future, at least two first class, modern shopping centres. This should convince all our citizens to follow the slogan of all our businessmen in St. Albert, "Shop in St. Albert".

## OVERLAPPING CHRISTMAS ACTIVITIES

This is the time of year that all our clubs and organizations have planned, or are planning, their special season meetings or performances. It would be wise, if the executives would consider their festive dates very carefully before they overlap another seasonal event. In so many cases, our citizens would like to attend both meetings, but are unable to because of overlapping. Secretaries of all organizations should contact each other regarding their activities, during the whole year, but especially during the month of December. This will not only increase the comfort and joy of all our citizens, but it also will bring our clubs and organizations closer together in a fine respectful co-operation.

## Narrow minded ideas

We were told this week that some of our citizens were disappointed that our report in the Gazette of the Memorial Day, only showed a picture of Father Chevrier and not of the Rev. Joly, who was also one of the speakers. A town can never be built up if it consists of this kind of narrow minded people. We have proven many times in the past, that our interest is first in the Town of St. Albert and district, and their citizens. Each attack on our town or district which could harm the future, will be re-attached by us!! It doesn't matter from which corner this attack comes!! Besides this, our responsibility is to serve all our religious groups and also all our local organizations, which are the spiritual, social and cultural roots of our town life, without which our town cannot live. ## U.C.W. CHRISTMAS PARTY

The St. Albert United Church Women held their Christmas party and meeting Monday night in the Church. A candlelight worship service given by the Grandin Park Unit was followed by carol singing. The business meeting which followed was very short, the main item being the election of a new vice president Mrs. June Leggett, treasurer Mrs. Marg Woollard, program convenor Mrs. Gladys Govenlock and secretary Mrs. Grace Ingle.

The Sturgeon Heights Unit was in charge of games. These brought much laughter and helped the members from the different units to get acquainted. Braeside and Mission Park Units combined to serve a delicious lunch. The next general meeting will be held the 14th of January, 1963.

It is the hope of the Chamber that all citizens in the Town will co-operate by decorating their homes so that our Town may shine with the light of joy and happiness symbolizing the true meaning of the festive season.

Prizes will be awarded on the basis of two categories - one for decoration and beauty, and the other for originality.

## BREAK IN AT CURLING RINK

Some unexpected visitors forced the back door of the Curling Rink, then went to the glass wall and also forced that door. They took all the money from the cigarette vending machine and pop machine and took all the post dated cheques and cash from the office. They left by the back door. RCMP are still investigating.

## LIQUOR STORE

The Liquor Control Board has made their choice of two parcels of land which were proposed by the St. Albert Council. The parcels were located 1. the west side of Perron's Store, and 2. the west side of Grandin Shoppers' Park. The LCB decided to take the land at Grandin Shoppers' Park. This will be rezoned from "small holdings" to "commercial, first class". Council will study the plans for the liquor store building before making any definite decisions for a building permit.

## COUNCIL OF THE EDMONTON DISTRICT CHAMBER OF COMMERCE

Dating back to 1959 and originating with the Metropolitan Development Committee of the Edmonton Chamber, it became increasingly evident that many of the problems confronting the City of Edmonton involved the whole Metropolitan area. Such matters as ring roads, water supply

tourist promotion, planning of industrial and residential areas and general economic development are not limited to any one municipality.

Informal discussions were held with the surrounding Chambers on the feasibility and/or desirability of forming a loose-knit group of Chamber of Commerce representatives in the Metropolitan area.

Early in 1962, a meeting was held, with representatives of the following Chambers of Commerce: Fort Saskatchewan, Leduc, Jasper Place, Stony Plain, St. Albert, Devon, Edmonton.

All delegations at that meeting expressed favour with the idea of an Edmonton District Chamber of Commerce to discuss mutual problems and matters affecting the entire area.

It is tentatively arranged that meetings with two representatives from each Chamber of Commerce, be held at the localities holding representation on the Council.

The representatives of the Chambers of Commerce are as follows: Leduc - J. Harrington, R. G. Guebert. Stony Plain - J. J. Malden, P. Sparrow. Jasper Place - C. Silver, J. Mace. St. Albert - Dr. W. D. Cuts, B. P. Pratt. Fort Saskatchewan - R. Henriette. Edmonton - B. L. Robinson, W. S. Ross, J.C.

Some of the items that were given preliminary discussion at the meetings held to date included: St. Albert Trail; Access Roads and Shopping Hours in Jasper Place; Publicising the Industry of the Area at the International Airport.

ideas in editorials are unbiased, not copied from any other paper or organization and are only based on the welfare of our town and citizens. Anyone who sees the edition in any other way, doesn't know him, or forgot to talk with him personally. We don't like "narrow minded" people. We are quite straight and clear in our opinion, because we know that this kind of person can cause enormous harm to a community, can even destroy the good relationships between our citizens. In the above mentioned case, another narrow minded citizen could ask why we quoted a part of the speech of the Rev. Joly and didn't quote Father Chevrier. It is a shame that these two honest and first-class religious leaders and citizens were used to satisfy the tasteless feelings of those narrow minded citizens. We should be proud and happy that our spiritual leaders of the different churches in our town are broadminded, good Christians. Their co-operation should be an example for all of us.

In the past, we have been at different times, threatened by a few of those narrow minded citizens. We are not afraid of them, because their attitudes and thoughts do not fit in our community. And we know that our broad minded citizens are wise enough to eliminate those few "narrow minders".

In the earlier game, a good crowd witnessed a close exhibition between the High School girls and the Grads. The final score read 21 - 20 in favour of the Grads. The Grads were led in scoring by June Flynn, and the girls' top scorer was Denise Joyal with 14 points.

Next Friday, December 14th, sees both St. Albert High boys and girls teams, coached by Tommy Joe Coffey, in action against highly rated Salisbury. The games take place in the Vital Grandin School gym, with the girls game beginning at 7:30 and the boys game immediately following. Admission is 50¢ for adults, 35¢ for students, and 25¢ for children. Refreshments will be available. ## COMPLETE PHOTOGRAPHIC SERVICE OFFERED

For more than twenty-five years the name of "Housez" has been synonymous with fine photography in Edmonton. Operated for some years by the late Wm. Best, the firm has more recently been under the capable management of Mr. Charles William Pratt, who came to Edmonton after more than ten years in Stettler where he had a photographic studio. Now Mr. Pratt, who has his home here in St. Albert, has decided that there is room here for a branch of the Edmonton firm.

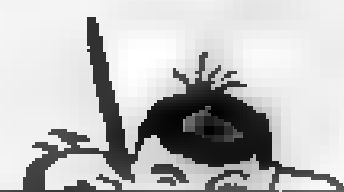

Fine portraits are, of course, a trade mark of Housez. In addition, services such as picture framing and photo finishing of amateur color and black and white are available. Group pictures, commercial photography and press pictures are part of the service, and complete wedding coverage can be arranged. Housez originated the "beautiful children" series, formerly so popular in the Journal, and portraits of children are still a specialty.

In the St. Albert studio, Mr. Pratt or another photographer will be in attend-

ance daily to attend to Christmas orders. Customers should have their appointments not later than December 15th to avoid disappointment on Christmas deliveries. After Christmas, until the volume of business warrants the presence of a full-time photographer, the firm's capable St. Albert receptionist, Mrs. D. Richardson, will make arrangements for appointments.

The same high quality equipment will be available here as in Edmonton for the taking of pictures of all types. Processing and finishing will be done in the elaborately equipped Edmonton studio to bring to St. Albert patrons the high standard of finishing provided by Housez throughout the years. Mr. Pratt emphasized that Housez has always been known as a "quality" photographer, and work that does not measure up to that high standard will not be released.

Altogether, the presence of Housez Photo Studio in St. Albert, is one more good reason for doing our shopping at home, this Christmas, and all the time.

## From Our Readers

### LETTER TO THE EDITOR

Dear Sir,

As a newcomer to the Grandin Park area, I would like to submit a suggestion to those individuals in our area who persist on leaving their garbage containers in the most conspicuous places and in full view of the neighbors, as well as the passers-by.

Surely these garbage containers could be carried to the back after garbage pick-up, where they would be completely out of sight.

The other day, one of these "permanent fixtures" must have been upset by a dog, with the end result being garbage and refuse all over the street.

If we want to enhance the appearance of our new areas, then by all means, let's co-operate and keep our garbage containers out of view and properly sealed.

Yours very truly,  
"A Grandin Park Resident"

### **YMCA INDUCTS 150 MEMBERS**

The St. Albert Community YMCA, with over 150 registered, held an induction ceremony on Saturday for its young members. Mr. Harry Clendenning, member of the Edmonton Central YMCA's Boys and Youth Committee, and Mr. Grant McKeen, Metropolitan Camp Director of the Edmonton YMCA, officiated at the brief ceremony, together with Dr. W. D. Cuts, Chairman of the local Management Committee. Candles, mounted on the symbolic triangle of the YMCA, were placed at the front of the gym.

Dr. Cuts explained the function of the local YMCA and introduced the guests to

the boys and girls and their leaders. A history of the YMCA and a short explanation of its work in 79 countries was given. It was pointed out that the YMCA is much more than a gymnasium or a swimming pool. It is an organization, world wide in scope, made up of persons united by a common loyalty to Jesus Christ, for the purpose of developing Christian persons and a Christian Society. To become a member of this organization is a privilege and with every privilege goes a responsibility, summed up in the pledge which was then taken by all the boys and girls present:

"To be friendly; to respect and serve others; to be healthy; to show good sportsmanship; to be helpful at home; to

keep up in school work; to take part regularly in church and school activities and to be reverent to God." It was a heart-warming thing to hear that fine pledge recited by 150 young voices, and they all sounded as if they really meant it.

The symbolism of the YMCA emblem was explained. It consists of a double circle representing the unity of life, and the friendship amongst individuals. Inside this are the Greek letters for Christ, the centre of the organization. The triangle represents the unity of man, and the open Bible is open at "That they may all be one ....". The ceremony ended with a prayer and a welcome to the new members.
